RESPONSE TO OFFICE ACTION

Sir:

In response to the Office Action dated November 7, 2002,  
please consider the Remarks below.

REMARKS

Reconsideration of the above-identified application in  
view of the present amendment is respectfully requested. In  
the Office Action, claims 1-9 were provisionally rejected  
under 35 U.S.C. §101 as claiming the same invention as that of  
claims 1-9 in co-pending Application No. 09/780,751 (statutory  
double patenting).

The double patenting rejection of claims 1-9 is no longer  
proper because co-pending Application No. 09/780,751 has been  
abandoned. The '751 application was allowed on October 9,
